A new comment has been submitted at socotransmission.com.

COMMENT

Meeting Attended:

I was not able to attend a meeting

Important Issues:

Land Use (Agriculture, Residential, Recreation), Radio or Television Interference, Noise, Health and Safety, Visual / Aesthetic Resources, Proximity to Residences

Property Uses:

Agriculture, Residential

Comment:

Strongly against this project!!! My property will be worthless and my health would be greatly affected. You need to stay next to the interstate where people expect development, or potentially next to the railroad tracks. My property is Hatchet Phase II, Lot 38. DO NOT COME THROUGH MY PROPERTY!!!

I-245-001: Environmental Consequences (In Review)

Your email/letter/comment form has been received and your comment noted. Potential environmental consequences and mitigation measures from the proposed project will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at

<http://www.usda.gov/rus/water/ees/ea.htm>.
